

Immunization Packet - 4 steps

All forms and uploads must be completed at <u>https://rutgers.medicatconnect.com/</u>

Some of your vaccines may have already transferred into our system from the NJ vaccine registry or your previous time at Rutgers. To check your vaccine record, PRINT your record from the Immunization tab.

Please do not re-submit immunizations that are already in the system.

Enter the dates of your vaccines or labs under the immunization tab

Upload your signed, completed packet and any supporting documentation, if applicable (ex: labs, blood work, x-ray report)

Clinical students (category 1) immunization requirements apply to students who will see patients or clients during the course of their program and may be exposed to blood or body fluids. Not sure of your category? Reach out to your program.
